**SUPPLEMENTAL DECLARATION OF MS.  
MARY K. HADLEY IN SUPPORT OF  
PLAINTIFFS' MOTION FOR  
PRELIMINARY INJUNCTION**

Date: January 25, 2008  
Time: 10:00 a.m.  
Judge Samuel Conti

**Supplemental Declaration of Ms. Mary K. Hadley**

1. On November 28, 2007, I executed a declaration, under penalty of perjury, in support of Plaintiffs' Motion for Preliminary Injunction. I now provide this supplemental declaration. I have personal knowledge of the matters stated in this declaration. If called upon to do so, I am competent to testify to all matters set forth herein.
2. I have an Associate in the Arts degree in Apparel Design from Bauder College, formerly of Sacramento, CA. I am trained in technical patternmaking and manufacturing construction of apparel. I also have experience designing and constructing wedding apparel.
3. On January 10, 2008, I visited The Golf Warehouse's ("TGW") website at [www.tgw.com](http://www.tgw.com). The website describes TGW's low price guarantee and states "Find a lower price and we will match it! It's that simple!" The website instructs consumers to "Take Advantage of TGW's Latest Price Matches!" and "If you find a lower price email us at [lowprice@tgw.com](mailto:lowprice@tgw.com)." Also, the website states that "TGW.com constantly searches for golf's lowest prices so you don't have to." Attached hereto as Exhibit 1 is a true and correct copy of a portion of TGW's website.

4. On January 10, 2008, I visited TGW's website at [www.tgw.com](http://www.tgw.com). The website describes TGW's discount prices as "SRPs represent what the manufacturers suggest we charge. They are for reference only." The website further states that "Suggested retail prices can . . . be used by you as a benchmark by which to compare our discounts from SRP to the discounts from SRP of other companies that sell golf equipment and apparel . . . ." Attached hereto as Exhibit 2 is a true and correct copy of a portion of TGW's website.
5. On January 10, 2008, I visited the TGW's website at [www.tgw.com](http://www.tgw.com). The website contains a Manufacturer Exclusions list. The website states that "Items listed here are excluded from price promotions due to manufacturer restrictions." Notably, GFSI is not listed as an excluded manufacturer. Attached hereto as Exhibit 3 is a true and correct copy of a portion of TGW's website.
6. On January 10, 2008, I conducted a search of the terms "discount" and "golf" on Google's search engine. Notably, TGW is the first listing that appears in Google's Sponsored Links. Attached as Exhibit 4 is a true and correct copy of the first page of results returned by the Google search.
7. The Google search results attached as Exhibit 4 also reveal that Golf Discount.com appears in Google's Sponsored Links, along with TGW. On January 10, 2008, I visited Golf Discount.com's website at [www.golfdiscount.com](http://www.golfdiscount.com). The website reveals that Golf Discount.com sells similar products to TGW. Attached as Exhibit 5 is a true and correct copy of Golf Discount.com's homepage.
8. On January 11, 2008, I visited Golf Discount.com's website at [www.golfdiscount.com](http://www.golfdiscount.com). The website reveals that Golf Discount.com has a Low-Price Guarantee similar to that of TGW. The website states that "GolfDiscount.com provides you with peace of mind knowing that you are getting the absolute lowest price possible on the 'net . . . . If, within 30 days of purchase, you find a legitimate price from an **Authorized** Internet Retailer lower than that paid at GolfDiscount.com, we will gladly match that price as a courtesy." Attached as Exhibit 6 is a true and correct copy of a portion of Golf Discount.com's website.
9. The Google search results attached as Exhibit 4 also reveal that Rock Bottom Golf.com appears in the top ten search results. On January 11, 2008, I visited Rock Bottom Golf.com's website at [www.rockbottomgolf.com](http://www.rockbottomgolf.com). The website reveals that Rock Bottom Golf.com sells similar products to TGW. Attached as Exhibit 7 is a true and correct copy of Rock Bottom Golf.com's homepage. The website also states that "Rock Bottom Golf

has evolved into one of the top discount golf retailers in the world.” Attached as Exhibit 8 is a true and correct copy of a portion of Rock Bottom Golf.com’s website.

10. The Google search results attached as Exhibit 4 also reveal that Golf Monster.com appears in the top ten search results. On January 10, 2008, I visited Golf Monster.com’s website at [www.golfmonster.com](http://www.golfmonster.com). The website reveals that Golf Monster.com sells similar products to TGW. The website also reveals that Golf Monster.com is “Your Online Golf Discount Super Store!” Attached as Exhibit 9 is a true and correct copy of Golf Monster.com’s homepage.
11. The Google search results attached as Exhibit 4 also reveal that Budget Golf.com appears in the top ten search results. On January 10, 2008, I visited Budget Golf.com’s website at [www.budgetgolf.com](http://www.budgetgolf.com). The website reveals that Budget Golf.com sells similar products to TGW. The website also states that “We personally hand-select the best quality and best selling golf equipment and golf clubs, then heavily discount the prices.” Attached as Exhibit 10 is a true and correct copy of a portion of Budget Golf.com’s website.
12. The Google search results attached as Exhibit 4 also reveal that Golf Outlet.com appears in the top ten search results. The caption on the search results page relating to Golf Outlet.com reads “Golf Equipment at tremendous discount prices, since 1997.” On January 10, 2008, I visited Golf Outlet.com’s website at [www.golfoutlet.com](http://www.golfoutlet.com). The website shows two links for purchasing golf related products, (1) “Shop golfoutlet.com” and (2) “Sales! Clearance Center.” Attached as Exhibit 11 is a true and correct copy of Golf Outlet.com’s homepage showing these two links.
13. Upon clicking the first link, “Shop golfoutlet.com,” I was routed to TGW’s website. Attached as Exhibit 12 is a true and correct printout of the TGW landing page that resulted when clicking the first link. Upon clicking the second link, “Sales! Clearance Center,” I was again routed to TGW’s website. Attached as Exhibit 13 is a true and correct printout of the TGW landing page that resulted when clicking the second link.
14. The Google search results attached as Exhibit 4 also reveal that Discount Golf World.com appears in the top ten search results. On January 11, 2008, I visited Discount Golf World.com’s website at [www.discountgolfworld.com](http://www.discountgolfworld.com). The website reveals that Discount Golf World.com sells similar products to TGW. The website also reveals that Discount Golf World.com has a low price match similar to TGW. The website states “Low Prices. We’ll match any authorized dealer’s price.” Attached as Exhibit 14 is a true and correct copy of a portion of Discount Golf World.com’s website.

15. On January 10, 2008, I visited Hockabee's website at [www.hockabees.com](http://www.hockabees.com). A search for "Robert Trent Jones" reveals that Hockabee's continues to offer RTJ Apparel for sale or bidding. Moreover, the search uncovered 47 articles of RTJ Apparel for sale or bidding. Attached hereto as Exhibit 15 is a true and correct copy of a portion of Hockabee's website after conducting the search.
16. The Hockabee's website shows it is selling or bidding RTJ Apparel labeled as "NEW" and "BRAND NEW." Attached as Exhibit 16 is a true and correct copy of a portion of Hockabee's website showing the sale or bidding of "NEW ROBERT TRENT JONES RTJ HUDSON FULL ZIP VEST." Attached as Exhibit 17 is a true and correct copy of a portion of Hockabee's website showing the sale or bidding of "BRAND NEW ROBERT TRENT JONES GOLF DUBLIN JACKET NWT L."
17. On January 10, 2008, I conducted a search of the terms "Hockabee," "Robert," "Trent," and "Jones" on Google's search engine. The search results revealed that Hockabee's appears to be selling or bidding RTJ Apparel through its online stores directed at consumers located in the following countries, in addition to the United States: Canada, United Kingdom, Malaysia, Philippines, Singapore, Western Samoa, Poland, France, Ireland, Spain, The Netherlands, Germany and Italy. Attached hereto as Exhibit 18 is a true and correct copy of the search results retrieved by Google.
18. On January 11, 2008, I received and opened the Federal Express shipment sent from William J. Powell at D & B Legal Services, Inc. I examined the RTJ Apparel contained in the shipment. The shipment contained eleven pieces of RTJ Apparel, of five different styles.
19. Based upon my knowledge and training in the apparel arts, it is my opinion that each of the eleven pieces of RTJ Apparel is defective, irregular or second due to fabric discoloration.
20. On January 11, 2008, I took photographs of one piece of RTJ Apparel from each of the five styles. Attached as Exhibit 19 are true and accurate photographs of the five selected pieces of RTJ Apparel. The fabric discoloration is clearly demonstrated by these photographs. Moreover, the Robert Trent Jones tags and labels are shown affixed to the apparel.

I declare under penalty of perjury of the laws of the United States of America that the foregoing is true and correct. Executed this 11th day of January 11, 2008, in Northfield, Illinois.

A handwritten signature in black ink, reading "Mary K. Hadley", is positioned above a horizontal line.

About Our Prices

The Golf Warehouse is committed to being your discount retailer of golf equipment and apparel over the Internet. As such, we want you to understand our prices, and the prices that the manufacturers suggest we post for informational purposes. "SRPs" are suggested retail prices provided to The Golf Warehouse by suppliers (such as Callaway or Nike). SRPs represent what the manufactures suggest we charge. They are for reference only. The SRPs may or may not be sold at the price at which the product is commonly sold, or even sold at all, and products may be sold below suggested retail price. Whether other retailers sell at suggested retail price will vary by product, geographic location, type of store, and over time. Suggested retail prices can, however, be used by you as a benchmark by which to compare our discounts from SRP to the discounts from SRP of other companies that sell golf equipment and apparel and likewise post their prices or discounts in relation to the suggested retail price.

The Golf Warehouse periodically updates the suggested retail prices posted on its website. As manufacturers provide the latest suggested retail price information to The Golf Warehouse, The Golf Warehouse updates its website. At times, however, a manufacturer may change a suggested retail price without notice to The Golf Warehouse. Thus, the manufacturer of a particular product should be contacted if you want to ensure that you obtain the most up-to-date SRP information available. If you have any questions or comments about The Golf Warehouse's pricing or other policies, please contact us at [customerservice@tgw.com](mailto:customerservice@tgw.com)

Currency

All orders placed with The Golf Warehouse are in United States Dollars (USD) . For your convenience The Golf Warehouse has two currency converters to help with calculations. When converting currencies be sure to remember the following:

We obtain our rates from a variety of sources. Our primary sources are live, real-time rate feeds containing data from foreign exchange markets all around the world. Because it's always daytime somewhere in the world, there is a good chance that a currency market somewhere is currently trading. Since our feed is global, this means that a currency's rate can be updated even when the markets of its home country are closed.

## Low-Price Guarantee

GolfDiscount.com provides you with peace of mind knowing that you are getting the absolute lowest price possible on the 'net (all prices are in US Dollars). If, within 30 days of purchase, you find a legitimate price from an **Authorized** Internet Retailer lower than that paid at GolfDiscount.com, we will gladly match that price as a courtesy. An "Authorized" dealer is one that has been authorized by the manufacturer to sell their product on-line. For the major manufacturers, there are only a handful of truly "Authorized" Internet Retailers. Items must be exact and in-stock.

But we are more than just low prices. Here are some of the other benefits of shopping at GolfDiscount.com:

- No sales tax (Washington residents excluded)
- Liberal return policy
- 30 day no-lemon policy
- Over \$7 million inventory
- Shop safe using our secure server
- "Talk Live" to [golf experts](#) using your keyboard via Humanclick
- Your order usually shipped within 24 hours

## Warranty & Return Policies

GolfDiscount.com strives to provide you with the best possible warranty and return policies in the business. All golf equipment purchased from GolfDiscount.com is covered by the original manufacturer's warranty which is usually from 1-2 years from date of purchase. Please consult with us regarding a specific manufacturer's warranty policy.

### Return Policy

GolfDiscount.com will gladly provide a full refund for any unused golf equipment returned within 60 days of purchase. Once you have used the equipment, it is no longer considered new and you will be charged a **minimum** 25% restocking fee, based on condition, for any used merchandise return (limited to 60 days from purchase).

Simply contact GolfDiscount.com **toll-free** at **1-888-394-4653** or 425-957-3626 (international) and we will assist you through our product return process. GolfDiscount.com will refund only the full purchase amount for unused golf products, excluding the shipping and handling fees.

### No-Lemon Policy

GolfDiscount.com provides you with our special 30-day "**no lemon policy**". This policy states that in the event that your equipment is defective (within 30 days of purchase) we will have your equipment picked up by Fed-Ex (free of charge, **excludes International customers**) and replace your equipment to you rather than make you wait for the warranty service. ### About Rock Bottom Golf

So you want to know more about me and my Company... Me... I'm the wild and crazy type. I love to have fun at the local tavern, er ah, cave... a couple pops, a dozen wings, and dancing on the bar is a pretty typical night for me. For some reason the ladies dig me... must be my big bushy red beard, long hair, and malnourished body. No...it's the big bone through my nose..they just love playing with it!

O.k. enough about me! Let me tell you a little bit about RockBottomGolf.com and how it got started. Back when I was a poor young lad in high school I would occasionally sneak into the local country clubs in the dead of the night, throw on some scuba gear and hunt for golf balls. Back in the day, those balls were worth a lot of money to a snot-nosed kid with no job. After a couple of weeks, I ended up recruiting a bunch of my shady friends and we would stumble into the ponds every weekend. Oh the stories I could tell...Johnny law, snapping turtles, strange rashes, leaches, etc. Believe it or not, those white pearls paid for six years of college!!!

After college, I figured it was time to clean up my act and go legit. I started buying used/demo equipment from the very same country clubs that so generously paid for my tuition. I started out selling equipment at flea markets and at golf trade shows. It was fun but there was not enough traffic to allow me to do it full-time. Then one of the greatest sales platforms ever invented hit the web... eBay!!! After a couple of months selling on eBay, I knew I could turn my part-time hobby into a full-time business. I walked away from a consulting career, leveraged all of my credit cards, hired Toad, and the rest is history.

Rock Bottom Golf has evolved into one of the top discount golf retailers in the world. Our core philosophy is to provide golfers with incredible deals on top quality golf equipment. How do we do it? We buy huge lots of closeout merchandise, keep our overhead as low as humanly possible, leverage technology and then pass the savings to the consumer. We may not have everything that you are looking for, but the prices on the items that we do have are the cheapest that you will find... guaranteed! Check in with us often, because when our products are gone, they are gone forever!!! Rock Bottom Golf your FIRST choice for the greatest DEALS in GOLF!
